A DOUBLE ANNIVERSARY

Lamoille Grange Unites With Mr. and Mrs. E. G. Sherwin in the Celebration of Their Golden Wedding Anniversary

The home of Mr. and Mrs. E. G. Sherwin in Hyde Park was the scene of a happy gathering yesterday, the occasion being the celebration of the Golden Wedding anniversary of Mr. and Mrs. Sherwin and the 22nd anniversary of the local organization, of which Mr. and Mrs. Sherwin are among the oldest and most honored members. About 110 members were present during the day. A picnic dinner was served at noon at the Peace home nearby and the afternoon was devoted to the enjoyment of a fine program and a social good time. Mr. and Mrs. Sherwin were presented with ten dollars in gold and a gold handled umbrella and were also the recipients of a large number of flowers from absent friends. An especially pleasing feature of the program was the reading by Mrs. C. F. Smith of letters of felicitation from members who were unable to be present.

The program was well arranged and carried out in a manner which added much to the enjoyment of the day. It consisted of music by the Grange choir; Prayer, Rev. W. T. Best; Address of Welcome, E. G. Sherwin; Response, Master C. B. Story; Milk Farming vs. Butter Farming, George Thomas; Poem, "Home of New England", Mary Rand, read by Mrs. C. B. Story; Reminiscences, Jesse Gilmore, read by Mrs. Gilmore; Original Poem, Mrs. Murillo Wood, read by Orrin Jones; Grange Anniversary, Miss Oella Thompson; Reading, Gwendolen Smith; Original Poem, Mrs. J. Frank Thomas; Music, Mrs. G. E. Smith; "To Host and Hostess", C. F. Smith. Rev. W. T. Best acted as toastmaster, the meeting being opened in due form by the officers. In fitting remarks, Mrs. Harrison Dodge, the Lecturer, turned the meeting over to the toastmaster.

In the evening some 75 of the nearby relatives and friends were present and a most enjoyable event it was. Several poems and letters were read by Mrs. Chas. Goddard, interspersed with old-time songs. Refreshments were served and at a late hour the events of the happy occasion came to an end.

Twenty years ago Mr. and Mrs. Sherwin observed their 40th anniversary at their "Fine View Farm," about 75 being present. Of those then attending several were present on this occasion and twelve have since died.

E. G. Sherwin and Annette Fitch, natives of Hyde Park, were married at Stowe Feb. 9, 1865, by Rev. Mr. Ford. For a few years they resided in Connecticut, but have spent the greater part of these fifty years on "Fine View Farm" in Hyde Park, leaving that place a few years ago and taking up their abode in the village. Mr. Sherwin has filled various town offices and is at present a member of the school board. In 1908 he represented his town with credit in the General Assembly. Best wishes and many more wedding anniversaries go out to this worthy couple.

Fire at Jeffersonville

The dressing mill of LeRoy S. Morse in Jeffersonville was destroyed by fire last Sunday morning, together with about 300,000 feet of finished lumber. The loss is estimated by Mr. Morse at around \$25,000 and there was an insurance of only \$7,000.

The origin of the fire is unknown. There was no fire in the furnace after 6 o'clock Saturday night and the night watchman left at about 6 o'clock Sunday morning. Fire was discovered between 7 and 8 o'clock in the forenoon. The new water system was found to be fully equal to the occasion and four streams were thrown on the blaze, but it was impossible to save anything of consequence about the plant.

The fact that Mr. Morse does not expect to rebuild at present, at least, will be a severe blow to Jeffersonville.

Hon. Geo. A. Morse of this place was in Jeffersonville to see his brother yesterday concerning the fire.

"Chollie" Childs Again

"Chollie" Childs is again in the limelight and although it has been some time since he has been heard from it is the same old story. "Chollie" was returning from an extended sojourn in Montpelier and other sections of Washington County and got as far toward the Hub as the North Laporte schoolhouse, when he was overtaken with a desire for a higher education and proceeded to "break in" to that edifice of learning. After building a fire he lay down for a nap and was later found by Deputy Drowne of Morrisville, who had been called there by people in that vicinity. He was taken to Hyde Park jail. This morning he was given a hearing in Judge Lafontaine's Court and pled guilty to an offense of intoxication and was given 15 days in the County jail.
